Monday 30 th January	Science ISA Exam 1	10		Lesson 5&6
Monday 6 th February	Science ISA Exam 2	10	Lesson 1&2	

Please read the Notice to Candidates sheet that I have attached to this timetable so that you are aware of the regulations.

It is extremely important to take these modules at the appointed times.

If you are sick on the day and are unable to come into school, please ensure your parents/carer contact the school office before 9.00 a.m. **All missed exams must be paid for unless you provide a doctor's certificate.**

It is your responsibility to ensure you bring the correct equipment to each exam. You must not expect the school to provide items such as pens, pencils, rulers, calculators, drawing instruments etc. They may not be available on the day.

Make sure you have a black pen and use a see-through pencil case.

All registration will be taken in the hall by the invigilators, not in your tutor group.

Please line up to the seating plan in front of the letters on the blue folding screen. Make sure you are quiet so that you can hear the instructions clearly.

The exam tables will be labelled with your name and exam number.

Exam conditions apply once students enter the exam room. This means you must not talk nor distract any other student. If you have a question, raise your hand and wait for an invigilator to come to you.

Good luck with your exams.

Mrs J Bottoms
Examinations Officer
