FURTHER NEWS WITHIN SCHOOL

- The Art Department are very pleased to announce that three students in Year 9 have been selected to be exhibited at the Arnolfini in Bristol. There will be a celebration event to celebrate the artistic achievements of the students involved. Details of the event and to register click here - https://www.eventbrite.co.uk/e/art-bytes-celebration-event-arnolfini-tickets-329662227597?mc_eid=e0f0809090&mc_cid=922df3032b
- The music department will be sending details home to a number of students who will have the opportunity to go to the theatre to see 'The School of Rock' on the 21st July.
- Prom attire – are you still looking for an outfit? There is a company based in North Wales, who will help provide dresses and suits for free, they request £10.00 to cover the cost of delivery and the return postage and packaging. As a school we are able to make a referral on your behalf (you are not able to do this independently). The website is www.promally.co.uk for you to find out further details and to have a look at their range of stock. If you do wish for the school to make a referral on your behalf, please contact the school office admin@pewsey-vale.wilts.sch.uk with your name and contact details and someone will be in touch.

UPCOMING EVENTS OUTSIDE OF SCHOOL

- Fancy trying a subject spotlight with the University Experience Hub? Subject Spotlights are mini lecture series that dive deep into a course subject giving your students the chance to try a degree, before they have to apply. Students can add this to their Personal Statement showing that they have gone above and beyond to explore content related to the subject they want to study. There is currently Spotlights in Law, Economics and Politics from Durham University, New College of the Humanities and Oxford University. There's many more coming soon in a huge variety of subjects! https://university.springpod.com/?utm_source=campus&utm_medium=email&utm_campaign=subject_spotlights&utm_term=ss_schools&utm_content=ss_schools_24may22
- The Smallpeice Trust is running this summer their **CyberFirst programmes**, led by the National Cyber Security Centre (NCSC), a part of GCHQ. A programme of activities helping students explore their passion for technology and computing by introducing them to the world of cyber security. For more information and to register visit <https://www.smallpeicetrust.org.uk/cyberfirst>
- The Smallpeice Trust – Summer Online Engineering Courses. Apply for a range of summer online courses which are interactive, educational, fun and provide you with an invaluable insight into a host of exciting careers. Subjects include among others Aviation Technology, Biomedical Engineering, Built Environment, Humanitarian Engineering. You will gain real work experience which will accelerate your own personal development and potential for academic achievement, as well as developing team working, problem solving and leadership skills and enhancing your CVs/UCAS application. For more information and to apply visit: <https://www.smallpeicetrust.org.uk/ignition-events> / <https://www.smallpeicetrust.org.uk/momentum-even>
- Looking for summer work experience. Springpod have a variety of programmes available, use this link to check out their list of work experience opportunities and application forms - Springpod
