EVENTS THIS WEEK

- We are pleased to inform you that, as from Wednesday 9th November we will be introducing cashless payments into our catering dept. and through reception. This will mean that students will be able to pay for their break and lunch food with either a card, watch or phone. We will, of course, be accepting cash for those students that do not carry cashless payment items. If your child does not have access to a cashless device, but it is something you would like them to have, we can recommend a 'Go Henry' card. These are pre- paid debits cards for students, which are available to purchase online. We will also be able to take cashless payments in reception for any school ties or lunch vouchers, however, we would like you to continue to make payments through ScoPay for transport and school trips.
